This map shows existing, locally-designated bicycling facilities, and is provided for distribution by the Maricopa Association of Governments (MAG). This map has been produced under the direction of the MAG Regional Bicycle Task Force. Funding was provided by the Federal Highway Administration. If you have any comments, please call MAG at (602) 254-6300 or visit our web site at www.mag.maricopa.gov.

This map may not provide a comprehensive representation of off-street trails, especially those in mountain parks and preserves. Detailed trail maps may be available for certain parks. There are also many commercial trail guides and mountain biking guides available at local bike shops and book stores.

Disclaimer: This map was prepared by MAG as an aid to bicyclists from information furnished by others. MAG and its member agencies in no way warrants the safety of the bicycle facilities indicated on this map and warns cyclists that the various types of bicycle facilities shown require different levels of cycling skills. Cyclists are urged to use only those facilities that are suitable for their individual cycling skills. All cyclists should educate themselves on cycling safety and the rules of the road before using any of the facilities shown.
