TO: Stakeholders for the CANAMEX Corridor

FROM: Chris Voigt, Senior Engineer

SUBJECT: EXTENSION OF COMMENT PERIOD REGARDING PHASE II OF THE CANAMEX CORRIDOR STUDY

The Maricopa Association of Governments (MAG), Arizona Department of Transportation (ADOT) and Maricopa County Department of Transportation (MCDOT) are initiating Phase II of a project to define a route through the Maricopa region to be designated as part of the CANAMEX Corridor. Written comments are requested by **Friday, January 5, 2001** on any issues relating to the scope of work for this phase of the project.

A Stakeholder Forum was held in Buckeye on Thursday, December 14, 2000 to receive input prior to developing a scope of work for this phase of the project. You were sent an invitation to this Forum. Two stakeholders that attended the Forum indicated that they had not yet completed their review of the issues and could not therefore provide comments at the Forum. The option of submitting written comments by January 5, 2001 was offered to attendees at the Forum. This memo makes the offer of the same option to all invitees to the Stakeholder Forum.

If you have any questions or comments, please contact Roger Herzog or Chris Voigt at (602) 254-6300. Further information including CANAMEX project materials are available on the MAG website, www.mag.maricopa.gov, under "News and Events".
