TO: Interested Recipients of the Specifications and Details Committee Agendas
FROM: Gordon Tyus, MAG Specifications and Details Committee
SUBJECT: IMPLEMENTATION OF THE GOVDELIVERY SYSTEM

The Maricopa Association of Governments (MAG) is in the process of implementing a new electronic information delivery system. This will include migrating existing mailing lists to the GovDelivery electronic platform. GovDelivery will facilitate more rapid communication, promote public access to information, and facilitate a reduction in paper mailings to reduce costs and environmental impacts. GovDelivery will notify recipients by email when committee agendas and modifications to the agendas are posted on the MAG Web site. In the future, Specifications and Details Committee agenda material will be sent to you via the GovDelivery system.

To receive GovDelivery notifications regarding MAG Specifications and Details Committee agendas please sign up at the following link:
