Northwest Area Transportation Study

FINAL REPORT

Northwest Area Transportation Study

FINAL REPORT

prepared for

prepared by

September 2003

Table of Contents

1.	Study Purpose and Background	1
1.1	Study Area	1
1.2	Study Process / Methodology	1
2.	Review of Previous Studies	4
3.	Consultation Process	10
3.1	Consultation Program Activities	10
3.2	Summary of Consultation Activities	11
4.	Socioeconomic Conditions.....	14
4.1	Base Year 2000 Socioeconomic Overview.....	14
4.2	Socioeconomic Projections.....	18
4.3	Additional Variables	25
4.4	Title VI – Environmental Justice Analysis	26
5.	Transportation Data.....	34
5.1	Existing Conditions	34
5.2	Discontinuities in the Street Network	36
5.3	Variable Width Roadways.....	37
5.4	Capacity Limitations.....	39
5.5	Existing Traffic Volumes	39
5.6	Congestion.....	42
5.7	Traffic Signal/Intelligent Transportation Systems	42
5.8	Future Highway System Characteristics	43
5.9	Transit System	47
5.10	Bicycle/Pedestrian System	49
5.11	Long Term Plan for Non-Motorized Elements	51
5.12	Goods Movement/ Intermodal.....	51
5.13	Safety.....	52
5.14	Transportation Plans and Policies	53

6. Transportation Issues	54
6.1 Highest Priority Issues	54
6.2 Other Issues	57
6.3 Report Structure	57
6.4 Highway Issues.....	57
6.5 Public Transportation Issues.....	64
6.6 Goods Movement Issues	67
6.7 Airport Access Issues	68
7. Evaluation of Alternative Packages	70
7.1 Base Year	71
7.2 Future Base Network (LRTP-Based Reference Scenario).....	80
7.3 Enhanced Corridors Scenario.....	91
7.4 New Corridors Scenario.....	103
7.5 General Safety Assessment	121
7.6 Multimodal Considerations.....	124
7.7 Goods Movement	134
7.8 Model Run Conclusions	140
8. Recommendations.....	142
8.1 Priority Projects.....	142

Appendices

- Appendix 1: Review of Previous Studies
- Appendix 2: Consultation Documentation
- Appendix 3: Traffic Data

List of Figures

Figure 1:	Study Area	3
Figure 2:	Population Density Year 2000	15
Figure 3:	Employment Density Year 2000	17
Figure 4:	Population 2020.....	20
Figure 5:	Population 2030.....	21
Figure 6:	Employment 2020.....	22
Figure 7:	Employment 2030.....	23
Figure 8:	Percent Population Below Poverty.....	28
Figure 9:	Percent Minority Population	30
Figure 10:	Percent Disabled Population	31
Figure 11:	Percent Population Over Age 60	32
Figure 12:	Percent Population Single Female Head of Household.....	33
Figure 13:	2001 Highway Network.....	35
Figure 14:	2001 Number of Lanes	38
Figure 15:	2001 Traffic Volume Map.....	40
Figure 16:	2001 Average Daily LOS	41
Figure 17:	Future Base Roadway Network	45
Figure 18:	Future Base Number of Lanes.....	46
Figure 19:	Existing Transit System Map	48
Figure 20:	Existing Bicycle and Multi-Use Facilities.....	50
Figure 21:	Critical Issues Map.....	55
Figure 22:	2001 Network	72
Figure 23:	2001 Network: Average Daily Volumes	75
Figure 24:	2001 Network: Freeway Level of Service	76
Figure 25:	2001 Network: HOV Level of Service	77
Figure 26:	2001 Network: Arterial Segment Level of Service	78
Figure 27:	2001 Network: Intersection Level of Service.....	79
Figure 28:	Future Base Network	82
Figure 29:	Future Base Network: 2020 Volumes	84
Figure 30:	Future Base Network: 2030 Daily Volumes	85
Figure 31:	Future Base Network: 2030 Freeway Level of Service	87
Figure 32:	Future Base Network: 2030 HOV Level of Service.....	88
Figure 33:	Future Base Network: 2030 Arterial Level of Service	89
Figure 34:	Future Base Network: 2030 Intersection Level of Service	90
Figure 35:	Enhanced Corridors Network.....	92
Figure 36:	Enhanced Corridors: 2020 Traffic Volumes	97
Figure 37:	Enhanced Corridors Network: 2030 Daily Volumes	98

Figure 38: Enhanced Corridors Network: 2030 Freeway Level of Service	99
Figure 39: Enhanced Corridors Network: 2030 HOV Level of Service	100
Figure 40: Enhanced Corridors Network: 2030 Arterial Segment Level of Service	101
Figure 41: Enhanced Corridors Network: 2030 Intersection Level of Service.....	102
Figure 42: New Corridors (C) Network	104
Figure 43: New Corridors Option C: 2020 Traffic Volumes.....	107
Figure 44: New Corridors Option C Network: 2030 Daily Volumes.....	108
Figure 45: New Corridors Option C Network: 2030 Freeway Level of Service	109
Figure 46: New Corridors Option C Network: 2030 HOV Level of Service	110
Figure 47: New Corridors Option C Network: 2030 Arterial Segment Level of Service	111
Figure 48: New Corridors Option C Network: 2030 Intersection Level of Service	112
Figure 49: New Corridors Option A Network (same as Option C except for I-17 widening) ...	115
Figure 50: New Corridors Option A Network: 2030 Daily Volumes.....	116
Figure 51: New Corridors Option A Network: 2030 Freeway Level of Service	117
Figure 52: New Corridors Option A Network: 2030 HOV Level of Service	118
Figure 53: New Corridors Option A Network: 2030 Arterial Segment Level of Service	119
Figure 54: New Corridors Option A Network: 2030 Intersection Level of Service.....	120
